

FORWARD COLLEGE

human intelligences

Awarding Body

**UNIVERSITY
OF LONDON**

Executive Summary

We are looking to recruit an Assistant Professor in Psychology who wishes to deliver a highly innovative curriculum and contribute to its design and evolution.

The appointment will be permanent, at the level of Assistant Professor, with the opportunity of promotion to Associate Professor after a minimum of 3 years, depending on experience.

Location: Paris, with the possibility of moving to Lisbon, Amsterdam, or London at a later stage.

Start date: 1 July 2022

[FORWARD COLLEGE](#) is a novel Higher Education Institution designed for bright students who wish to achieve academic excellence but also nurture their practical, technological, social, and emotional intelligences. We leverage the whole spectrum of human intelligences: cognitive intelligence to analyse and solve complex problems; social intelligence to engage people across different fields of expertise and backgrounds; emotional intelligence to manage one's balance, be mindful of others, and nurture creativity; and practical intelligence to implement projects effectively, harness technology, and deliver lasting

change. Our students embark on a rotating programme of studies for their degree ('3 years – 3 cities'), spending a year each in Lisbon, Paris, and Amsterdam.

Forward college aims to blend tradition (for excellence) and innovation (for relevance):

Our double degree programme combines

A fully accredited academic BSc in Psychology designed by Kings College London and awarded by the University of London. Teaching material is delivered to Forward students in-house at Forward College in small groups (max. 15 students), adopting a 'flipped classroom' approach.

A highly innovative Bachelor in Business Leadership (BBL), including a range of student-led practical projects.

Our teaching approach combines

A bespoke tuition with a **student-to-faculty ratio of 15:1** with small group classes (15 on average) and weekly one-on-one tutoring (for the academic BA/BSc)

Innovative approaches such as peer to peer, personal development, and project-based learning (for the BBL); digital learning and flipped classroom (for the BSc/BA).

As an Assistant Professor (Teaching) on our Paris Campus you will support students' ambitions and achievements in their BSc in Psychology. More specifically **you will have a demonstrated ability to teach at least four of the following half-courses** (lasting 1 term/semester):

- Cognitive Psychology
- Understanding Individual Differences
- Health and Addictive Behaviours

- Philosophy of Psychology
- Clinical Psychology
- Research Skills 2: Literature Skills
- Research Design and Statistics 2A: Analysis of Variance
- Research Design and Statistics 2B: Multivariate Measures

Working with the Forward Research, Development, and Design Team, and a Senior Academic Advisor from your field, the post holder will be responsible for

Translating the curriculum designed by Kings College London into Forward innovative teaching approach

Designing and implementing the flipped classroom sessions throughout the academic year (15 students / class)

Designing tests and formative assessments that will support students in achieving learning outcomes throughout the academic year

Organising and providing the one-on-one tutoring sessions

Organising talks and conferences with experts in their field of expertise for the benefit of Forward's students and staff

Carry our research in your field and/or in the area of pedagogical innovation

The appointment will be permanent, at the level of Assistant Professor, with the opportunity of promotion to Associate Professor after a minimum of 3 years, depending on experience.
